

SEA SKIRT FIT LIST

This list, based on 2004/2005 boat models, is to help you determine which Kokatat spray skirt or cockpit cover fits your boat. If your boat does not appear on this list, match the outside cockpit measurements of your boat to the minimum/maximum fit dimensions listed below. Please note: for the best fit on boats that fall into overlapping cockpit dimensions, always purchase the larger size skirt. Too tight a fit on a composite boat may lead to an excessively difficult release. See our most current sea skirt fit list at www.kokatat.com

MINIMUM/MAXIMUM COCKPIT DIMENSIONS

DECK STYLE/SIZE

MIN/MAX WIDTH

MIN/MAX LENGTH

TROPOS and GORE-TEX® SOCKS

(men's shoe sizes)
XS: 3-5
S: 6-8
M: 9-11
L: 12-15

LATEX SOCKS

1: up to men's size 7
2: men's sizes 8-13
3: men's sizes 13-15

SIZING NOTES

Kokatat watersport shells are sized with ample room for ventilation and to be comfortable over an insulating layer of pile.

Sleeve Length

Measure from wrist bone to the spine at back of neck, with elbow bent.

Chest or Bust

Measure around fullest part of chest or bust, across shoulder blades.

Waist

Measure where you normally wear pants.

Hips

Measure around hip at fullest part.

Inseam

Measure from crotch seam to ankle bone.

GASKET SIZING

Replacement Gaskets

Neck: small, large
Wrist: small, large
Ankle: one size fits all

Unisex Latex Gasket Sizing

Small gaskets: S garments
Large gaskets: M-XXL garments

Women's Latex Gasket Sizing

Small neck gaskets: S garments
Large neck gaskets: M-L and XLS garments

Small wrist gaskets:

Women's S-M garments

Large wrist gaskets:

Women's L, XLS garments

GLOVE SIZING

(heavy, medium and lightweight gloves)

Hand Circumference

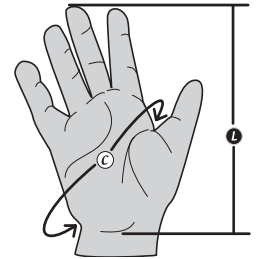

Use a soft measuring tape around the dominant hand as shown in diagram below.

Hand Length

Measure dominant hand from wrist crease to tip of middle finger as shown in diagram below.

GLOVE SIZE CHART

Glove Size	Hand Circumference	Hand Length
XS	7"	6 1/2"
S	8"	7"
M	9"	7 1/2"
L	10"	7 3/4"
XL	11"	8"
XXL	12"	8 1/2"

MATERIALS and CARE

ZIPPER INFORMATION and CARE

Kokatat's Swift Entry and Meridian dry suits, SuperNova and Kid's SuperNova paddling suits are supplied with our lightweight 4TZ metal tooth watersports zipper. This zipper is effectively waterproof for surface watersports.

All GORE-TEX® dry suits are supplied with an Optiseal zipper, which has larger teeth, and is factory tested to be completely waterproof to 20 feet.

Keep sand and dirt out of the zipper teeth and the closing end of the zipper. Please refer to the care instructions on the hangtags for detailed instructions.

GASKET CARE and REPAIR

Latex gaskets need to be treated every 4-6 weeks to prevent drying and cracking. Kokatat recommends 303 Protectant, available in 2 oz. and 8 oz. sizes.

Small tears or holes in the gasket may be repaired with Aquaseal. Replacement gaskets and kits are available from Kokatat. The instructions are on our website at www.kokatat.com. Kokatat will replace gaskets and socks for a reasonable charge on Kokatat garments only.

Please call customer service prior to sending in garments for repair!

US toll free: (800) 225-9749
International: (707) 822-7621

EMBROIDERY, SILK SCREENING and HEAT TRANSFER

Kokatat has performed this service on existing Kokatat products for many companies over the years. For more details please contact Customer Service.
